

Richard Reichard
Democrat for Congress
Investing in America

Protecting Social Security & Medicare

- *Securing the Social Security & Medicare Trust Funds*
- *Preventing privatization*
- *Opposing retirement & Medicare eligibility age increases*
- *“Saying no” to vouchers*

You can count on me to protect & preserve the current Medicare & Social Security systems.

I will never vote to divert money from the trust funds to private accounts, raise the Social Security retirement & Medicare eligibility ages or allow Medicare to offer vouchers.
